**GREATER MANASSAS  
HALF-WAY TO  
SAINT PATRICK'S DAY PARADE**

**September 18, 2021**

**This Saint Patrick's Day parade is out of season, though celebrating Irish heritage is a joyful occasion on any day. In concert with the City of Manassas, Inisfail, Inc. is pleased to present today's parade. Happy Half-way to Saint Patrick's Day to all of you enjoying today's family and community parade. While the pandemic precluded us from having this event over the past two Saint Patrick's Days, our frustration is abated with today's celebration.**

**The Parade Committee determined we would not ask our community's businesses to purchase advertisements and sponsorships after experiencing a most difficult year financially as well as emotionally. We do thank those parade partners who previously purchased advertisements and sponsorships in 2020 and chose to roll those purchases to this 2021 parade. Inisfail is pleased to cover all the larger expenses for the parade and not place additional fiscal burdens upon our community.**

**At the conclusion of the parade, we ask you to visit and patronize Manassas's manifold eateries, businesses, while listening to Celtic music and bagpipe bands while enjoying great food and fun. There will be pipe bands at many locations throughout Old Town Manassas for a few hours following the parade.**

**We intend to collaborate with the City of Manassas and host a parade on 12 March 2022. Mark your calendars. For additional information, visit our website - <https://www.stpatparade.net/>**

## *About the Cover*

Kylemore Castle was built in 1868 as a private home for the family of Mitchell Henry, a wealthy doctor from London whose family was involved in textile manufacturing in Manchester, England. He moved to Ireland when he and his wife Margaret purchased the land around the Abbey, after having travelled there on their honeymoon in the mid 1840s. He became a politician, becoming an MP for County Galway from 1871 to 1885. The castle was designed by James Franklin Fuller, aided by Usher Roberts. The construction of the castle began in 1867, and took the total of one hundred men and four years to complete. The castle covered approximately 40,000 square feet (3,700 m<sup>2</sup>) and had over seventy rooms with a principal wall that was two to three feet thick. There were 33 bedrooms, 4 bathrooms, 4 sitting rooms, a ballroom, billiard room, library, study, school room, smoking room, gun room and various offices and domestic staff residences for the butler, cook, housekeeper and other servants. Other buildings include a Gothic church and family mausoleum containing the bodies of Margaret Henry, Mitchell Henry and a great grand-nephew.

The Abbey remained in Henry's estate after he returned to England. The castle was sold to the Duke and Duchess of Manchester in 1903, who resided there for several years before being forced to sell the house and grounds because of gambling debts. In 1920, the Irish Benedictine Nuns purchased the Abbey castle and lands after they were forced to flee Ypres during World War I. The nuns, who had been based in Ypres for several hundred years, had been bombed out of their Abbey during World War I. At the Abbey the nuns offered education to Catholic girls, opening an international boarding school and establishing a day school for girls from the locality. The school acted as the main educator for most girls from Renvyle, Letterfrack and further afield for almost a century but it was forced to close in June 2010. The nuns have since been developing new education and retreat activities. Since 2015, the Abbey has entered a partnership with the University of Notre Dame. The abbey hosts academic programs for Notre Dame students, and the university renovated spaces in the abbey.

The Estate includes large walled Victorian Gardens. Since the 1970s these have been open for public tours and 'nature' walks. The Benedictine community has restored the Abbey's gardens and church with donations and local artisans in order to be a self-sustaining estate.

## HISTORY OF ST. PATRICK

St. Patrick of Ireland is one of the world's most popular saints. He was born in Roman Britain and when he was 14 or so, he was captured by Irish pirates during a raiding party and taken to Ireland as a slave to herd and tend sheep. Patrick's captivity lasted until he was 20, when he escaped after having a dream in which he was told by God to leave Ireland by going to the coast. There he found some sailors who took him back to Britain and he was reunited with his family.

A few years after returning home, Patrick saw a vision he described in his memoir: "I saw a man coming, as it were from Ireland. His name was Victorinus, and he carried many letters, and he gave me one of them. I read the heading: 'The Voice of the Irish.' As I began the letter, I imagined in that moment that I heard the voice of those very people who were near the wood of Foclut, which is beside the western sea, and they cried out, as with one voice: 'We appeal to you, holy servant boy, to come and walk among us.'"

The vision prompted his studies for the priesthood. He was ordained by St. Germanus, the Bishop of Auxerre, whom he had studied under for years, and was later ordained a bishop and sent to take the Gospel to Ireland.

Patrick arrived in Slane, Ireland on March 25, 433. There are several legends about what happened next, with the most prominent claiming he met the chieftan of one of the druid tribes, who tried to kill him. However, Patrick was able to convert the chieftain and preach throughout Ireland. There, he converted many people, eventually thousands, and he began building churches across the country.

He often used shamrocks to explain the Holy Trinity and entire kingdoms were eventually converted to Christianity after hearing Patrick's message. Patrick preached in Ireland for 40 years. After years of living in poverty, traveling and enduring much suffering, he died March 17, 461. He died at Saul, where he had built the first Irish church. He is believed to be buried in Down Cathedral, Downpatrick. His grave was marked in 1990 with a granite stone.

AH, THE GRANDEST OF ALL HOLIDAYS — WHEN THE IRISH, AND THOSE THAT WISH THEY WERE, GATHER TO CELEBRATE SAINT PATRICK AND EVERYTHING IRISH. IT FALLS ON MARCH 17 EVERY YEAR, WHEN FOLKS ARE CELEBRATING IRISH CULTURE.

IT'S THE FEAST DAY OF THE PATRON SAINT OF IRELAND AND IN THAT SPIRIT HERE IS A SAMPLE OF IRISH BLESSINGS:

**"MAY THE ROAD RISE UP TO MEET YOU. MAY THE WIND BE ALWAYS AT YOUR BACK."**

**"MAY THE ROOF ABOVE US NEVER FALL IN. AND MAY THE FRIENDS FATHERED BELOW IT NEVER FALL OUT."**

**"A WISH THAT EVERY DAY FOR YOU WILL BE HAPPY FROM THE START AND MAY YOU ALWAYS HAVE GOOD LUCK AND A SONG WITHIN YOUR HEART."**

**"MAY YOUR BLESSINGS OUTNUMBER THE SHAMROCKS THAT GROW. AND MAY TROUBLE AVOID YOU WHEREVER YOU GO."**

**"FOR EACH PETAL ON THE SHAMROCK, THIS BRINGS A WISH YOUR WAY: GOOD HEALTH, GOOD LUCK, AND HAPPINESS FOR TODAY AND EVERY DAY."**

**"MAY YOUR POCKETS BE HEAVY AND YOUR HEART BE LIGHT, MAY GOOD LUCK PURSUE YOU EACH MORNING AND NIGHT."**

**"MAY YOUR TROUBLES BE LESS, AND YOUR BLESSINGS BE MORE, AND NOTHING BUT HAPPINESS COME THROUGH YOUR DOOR."**

**"MAY YOUR HOME ALWAYS BE TOO SMALL TO HOLD ALL YOUR FRIENDS."**

**"MAY YOU HAVE THE HINDSIGHT TO KNOW WHERE YOU'VE BEEN, THE FORESIGHT TO KNOW WHERE YOU ARE GOING, AND THE INSIGHT TO KNOW WHEN YOU HAVE GONE TOO FAR."**
